REVEREND
FATHERS

MIXED

DEDICATION

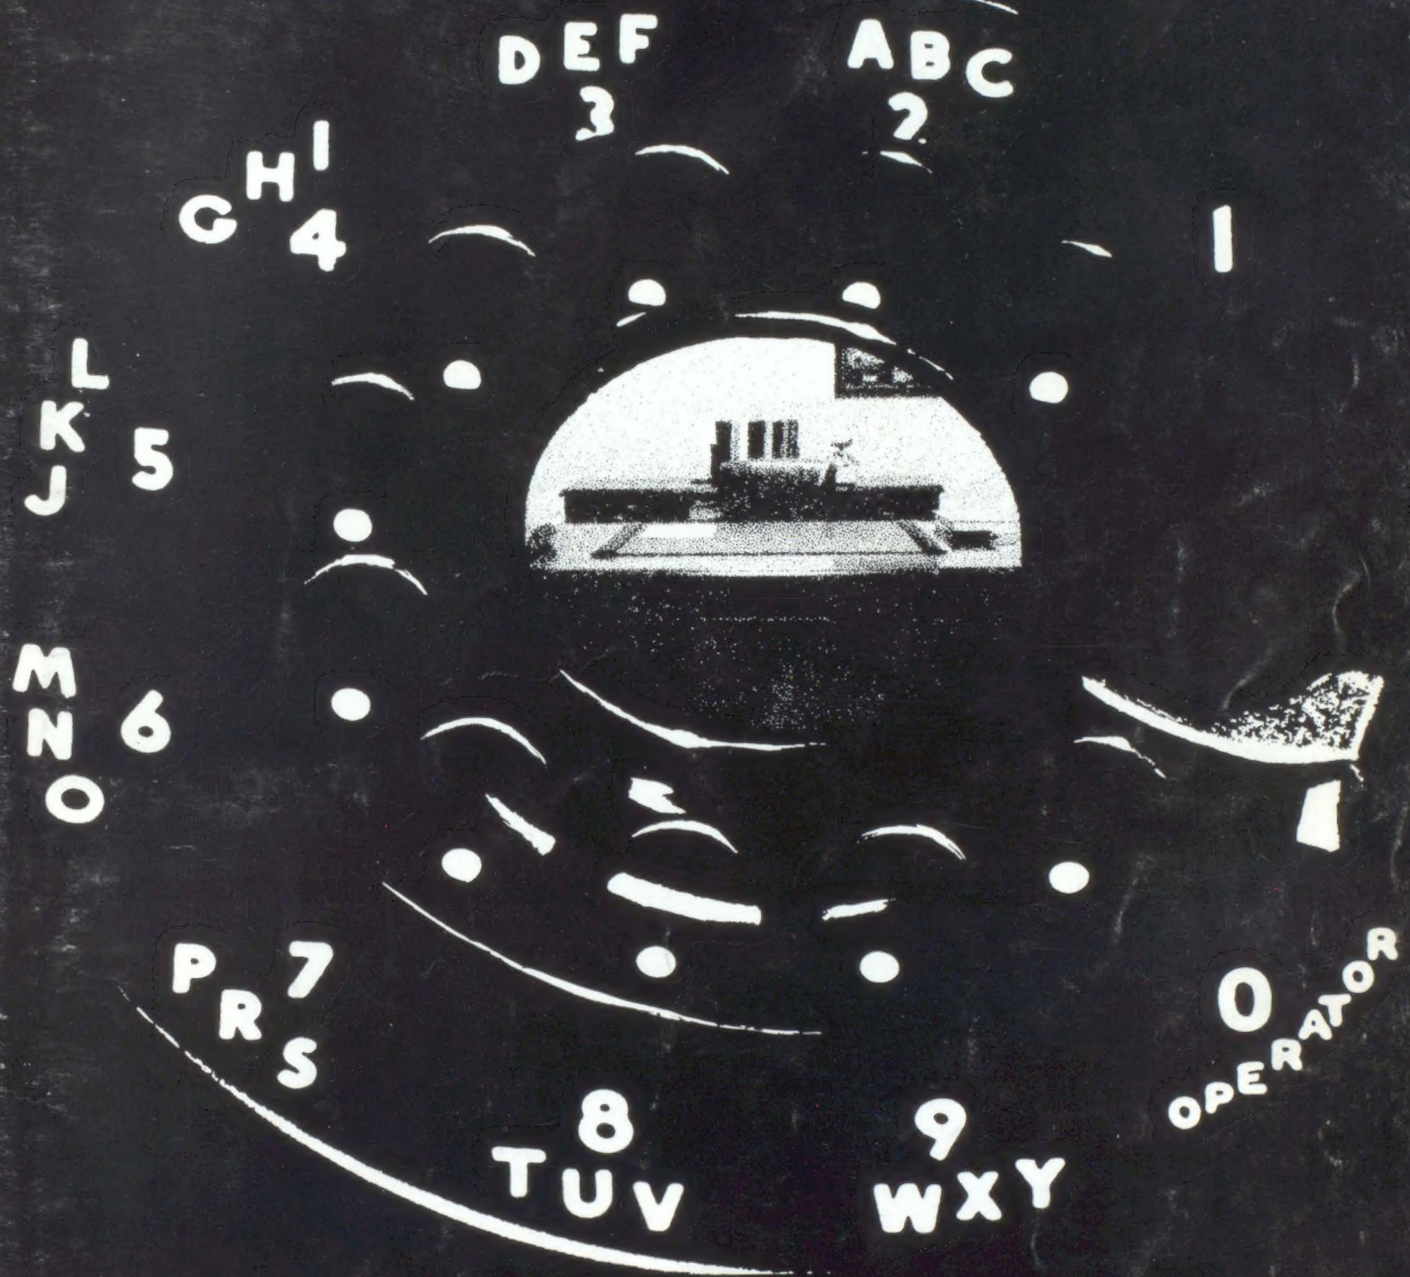

For many years, Mr. Roscoe Parker has served our school as its treasurer. Mrs. Parker has also served the young people of our community by offering piano and organ lessons. They are two people that many of us are glad to know, and those who do not know them should also be glad to have them as members of our community.

It is with sincere appreciation that we dedicate the 1973 Revonah to Mr. and Mrs. Roscoe Parker.

ADMINISTRATION
AND FACULTY

SUPERINTENDENT AND PRINCIPAL'S MESSAGES

To The Student Body:

Soon, the past twelve years of your public school education will be but memories. Each of you, as graduates, is now looking for new horizons of life—challenges, that must be met headon and conquered. Take with you, as you meet these challenges, the memories and experiences of the past twelve years. You will find they hold many answers and solutions to the many conflicts that will confront you in the years to come.

May your public school experiences hold the key to your success. Your instructors for the past twelve years have given you the knowledge to succeed. Don't let them or yourself down. Go forward and conquer.

Mr. Barkdoll

To The Student Body:

Congratulations to the Class of 1973. I wish them nothing but the best in the future. I would like to thank the faculty and students for their cooperation in making this a good year.

I would ask that the students who will be with us next year take full advantage of the programs offered by your school district so as to better prepare yourselves for the future. We are usually given one opportunity in a lifetime. Let's take advantage before it's too late. To the seniors I add, be proud of your family, community, and nation, and especially yourself.
